

Fitzgerald Housing Authority – June 2025 Newsletter
"Building Community. Empowering Residents."

A Message from the Executive Director – Dr. Lemond Hall

Dear Residents,

Summer is here, and with it comes fresh opportunities for growth, engagement, and community connection. I want to sincerely thank each of you for your continued involvement in the programs and events that strengthen our neighborhoods.

As we welcome the summer season, I want to take a moment to thank each of you for being part of the Fitzgerald Housing community. Your commitment to building a safe, respectful, and supportive environment truly makes a difference.

This month, I want to encourage every resident to take time to read over your lease agreement. Your lease is more than just a contract; it is a guide to your rights and responsibilities as a tenant. Understanding what's expected can help you avoid potential issues, protect your household, and ensure you stay in good standing.

If you are unsure about any part of your lease, our staff is here to help clarify and answer questions. We are committed to transparency and fairness and that begins with knowledge.

Additionally, we are proud to announce that:

- **Credit card payments are now accepted** (Visa, MasterCard, Discover).
- **Debit card payments will be available soon.**
- **Effective immediately, no cash payments are allowed in the drop box.** For your safety, please use secure, approved payment methods.

Let's continue working together to strengthen our community, support one another, and grow in the right direction.

Sincerely,

Dr. Lemond Hall

Executive Director
